Team Organisation for Roller & Inline Hockey – Implementation of International Rules and regulations

Based on the requests and emails received from the majority of the Roller & Inline Hockey playing States/UT, it has been decided to align the rules of team organisation for Hockey events under RSFI, with that of the World Skate International Rules, effective from the forthcoming 63rd National Roller Skating Championship.

Accordingly, the following team constitution will apply for all State/UT teams participating in RSFI-organized championships:

- **Inline Hockey:**  
Maximum Team Size - 16 players (14 floor players + 2 goalkeepers)  
Minimum Team Size – 8 (6 floor players + 2 goalkeepers)
- **Roller (Rink) Hockey:**  
Maximum Team Size 12 players (9 floor players + 3 goalkeepers) only ten (10) players can be registered in the match report.  
Minimum Team Size – 6 (4 floor players + 2 goalkeepers)

This system is in conformity with international standards laid down by World Skate and will ensure that our players are prepared for participation at the global level.

All State/UT Units are hereby requested to kindly take note of the above and ensure compliance while submitting entries for the 63rd Nationals and other RSFI championships.
